

Tone Films is a director-led video production company producing executive interviews, event coverage, training and recruitment films, and communications video for agencies, associations, advocacy organizations, and the contractors who support them. Our Washington DC office on Capitol Hill is backed by in-house crews in 31 U.S. cities.

CORE COMPETENCIES

- **Event & conference coverage** — multi-camera, clean podium audio, same-night highlight and social edits
- **Executive & subject-matter interviews** — two-camera, teleprompter, broadcast-grade sound
- **Press conferences & briefings** — press-mult audio, same-day clip delivery
- **Multi-camera livestreaming** — simulcast to web, YouTube, LinkedIn, and X
- **Training, recruitment & internal communications** video
- **Documentary, public-awareness & outreach** campaigns
- **Aerial cinematography** — FAA Part 107 licensed pilots
- **Post-production** — editing, color, motion graphics, captioning for Section 508 accessibility

DIFFERENTIATORS

- **One accountable team** from concept to delivery; no hand-offs to unknown freelancers
- **Rapid turnaround** — same-night edits for events; full deliverables in 24–72 hours
- **Nonpartisan & discreet** — NDAs on request, private review and delivery
- **Cinema-grade equipment** — Sony FX9 / FX6 / FX3, professional lighting and audio
- **National reach** — consistent quality across 31 U.S. markets
- **\$2M general liability** insured · 5.0-star Google rating
