CAPABILITY STATEMENT

tonefilms.com

Federal & Public Sector

Tone Films is a director-led video production company producing executive interviews, event coverage, training and recruitment films, and communications video for government agencies, associations, advocacy groups and their contractors. Our Washington, DC office sits on Capitol Hill (315 H St NE), backed by in-house crews in 31 U.S. cities, so one accountable team can cover a hearing, a conference and a field shoot in the same week.

Core Competencies

- Event and conference coverage (multi-day, multi-room, same-night highlight edits)
- Executive and subject-matter-expert interviews
- Press conferences, briefings and town halls
- Multi-camera livestreaming and hybrid events
- Training, onboarding and internal communications video
- Documentary and public-awareness campaigns
- Aerial cinematography by FAA Part 107 certified pilots
- Post-production with Section 508-compliant captioning and transcripts

Differentiators

- One accountable team from concept through delivery; no subcontracted handoffs
- Rapid turnaround: same-night event edits, full deliverables in 24 to 72 hours
- Nonpartisan and discreet; NDAs available on request
- Cinema-grade cameras, lighting and audio on every shoot
- Consistent quality nationwide through in-house crews in 31 cities
- \$2M general liability insurance; certificates issued on request
- 5.0-star Google rating across our locations
